Vegetable Seed Trials

D. W. Shoemaker

JAN 27 1000

JOHN WILK & CO.
151 WEST 33RD STREET
NEW YORK, N. Y.

We take pleasure in presenting our Dahlia List for 1930.

Within the pages of this list you will find novelties and prices to snit your requirements.

In the future, as well as in the past, it will be our constant endearor to give our patrons the utmost satisfaction.

Although every possible care is taken to buy and supply seeds and bulbs which are true to name and description, we do not give any warranty, express or implied, and will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms, they should be returned at once. Prices quoted are subject to change without notice.

Yours truly,

JOHN WILK & CO.

## THREE NEW DAHLIAS FOR 1930

Selected from thousands of seedlings and tested with the standard and leading varieties for their vigor and qualities. These varieties are released for the first time.

MANNETTO GLORY: 1926 Production. Color shell pink with light amber and gold shadings. Four certificates and one gold medal to its credit.

Price \$10.00 per tuber.

\$5.00 per plant.

1928 Trial Grounds leading scorer in commercial, exhibition and garden classes.

PRINCESS XENIA: 1927 Production. Most all Dahlia lovers know the famous Jersey Beauty. This is another beauty. The color is deeper than the above mentioned. Size—can be grown 10-11 inches. It has wonderful keeping qualities.

Price \$10.00 per tuber.

\$5.00 per plant.

PRIDE OF EAST NORWICH: 1927 Production. Color, cream with light bronze. Wanted and admired by all who see it.

Price \$5.00 per tuber.

\$2.50 per plant.

#### CACTUS DAHLIAS

	Each
Attraction (H. C.) Large fine flower of clear lilac rose with	1.00

Valley Poputy (December 2) This splendid new velley December 1	3.75
tive will we predict be in the vellow class what Jersey's	
Beauty is in the pink. We have watched it closely for the past	
three years, and it has all the attributes of a perfect Dahlia.	
This Dahlia while primarily a commercial Dahlia, yet can	
be grown to exhibition size. We have seen many 9 inches	
across and from 4 to 5 inches in depth. It has the long, free	
pranching habit of its parent Jersey's Deauty, and a plant	
flowers none less than 6 inches. The stems are more slen-	
der than Jersey's Beauty, yet always stiff, holding the flow-	
ers erect and at a proper angle for vase work	10.00
